**Earth Day Prayer: "Peace to Our Earth"**

*Peace to this earth,  
This gift of creation,  
Which we celebrate  
With joy and with reverence.  
In the spirit of the first Francis,  
May we take time to see*

*Peace to this earth,  
This gift of creation,  
Which we celebrate  
With joy and with reverence.  
In the spirit of the first Francis,  
May we take time to see  
The radiance of creation,  
This gift of light and liquid  
And green growth.*

*Peace to this earth;  
May we practice nonviolence  
Toward our lakes, rivers and seas.  
May we renew the living waters  
Teeming with life, small and large.  
May clean waters quench our deep thirst.*

*Peace to this earth;  
May we practice nonviolence  
Toward the land, the very ground of life;  
May we restore the soil  
So its richness can give us plentiful food.  
May we all be nourished by the fruits of the  
earth.*

*Peace to this earth;  
May we practice nonviolence  
Toward air, sky, clouds.  
May we respect these gifts  
So we can breathe freely in gentle rain.  
May the natural world be a safe home for all.*

*Peace to this earth,  
We pray with our pope,  
Peace to creation,  
Which we celebrate  
With joy and reverence,  
Knowing we hold a fragile world  
In our hands.*

**Faith Formation**

**Although we are no longer having face to face classes check you email for links to helpful sites.**

Our Pflaum account is available through May if you would like to continue to use it as a faith based lesson/activity. This would have been our last Sunday of Faith Formation--I encourage you to celebrate Earth Day, by using the Earth Day prayer service emailed to you. I look forward to seeing you soon and hopefully we will be able to have face to face classes in the fall.

Children preparing for First Eucharist are to be "coached" weekly by their parents. Parents are encouraged to go to our website [stfrancisbing.org](http://stfrancisbing.org) and click on Faith Formation and First Eucharist for additional information to help you prepare your child for First Eucharist.

Confirmation 2020 candidates should be finishing all Reflection questions in Decision Point, finishing up your Personal Beliefs Statements as well as your year-long community service projects. Information will be sent to your sponsors so that you can participate in 6 Faith to Faith conversations during the summer months. I will keep you informed as to the date of our Confirmation. Please watch your email and post office mail for updates.

**Prayer for Families Adjusting to this Reality**

*Holy Spirit, as families adjust to everyone being home as businesses and schools close, we ask that You guide people in their new realities. Give spouses grace for each other. Prompt worn-out parents to speak words of kindness and encouragement to their children. Help children find creative ways to experience the beauty of all You have created and continue learning. Amen.*

**Laimons and Silvia Drupa Scholarship**

The Binghamton Garden Club is offering this scholarship in the amount of \$10,000 to a graduating senior in a Broome County high school. The selected senior must major in a university undergraduate program in horticulture, environmental studies, botany, landscape architecture, biology (not pre-med) or other directly related fields. This award is not just a one-year award but has the potential of multiple years if all requirements are met. Interested applicants should contact their school Guidance Counselor. **Submissions must be received by May 1st.** Contact M. Rankin, at 773-8959 for more information OR view on our website [stfrancisbing.org](http://stfrancisbing.org)

**Prayers . . .**

Please remember all of our parishioners who are in hospitals and nursing homes and our homebound. Also, please pray for our deceased parishioners and loved ones.

## **Coronavirus and Caring for our Common Home: Earth Day 2020**

This coronavirus pandemic brings to the forefront our vulnerabilities and new opportunities to be compassionate toward each other. The long-term challenge to care for the Earth (our common home) also reminds us of our vulnerabilities and provides us with new opportunities. Like Coronavirus, the overall condition of the Earth challenges us to carefully consider all the natural balances, habitats, and interactions that are so critical for our survival. The Earth's health, like our own health facing the Coronavirus, can seem strong and resilient. Unlike the Coronavirus, effects on the Earth may appear to be more gradual or long-term and therefore even more hidden from our view.

Wednesday, April 22 was the 50th anniversary of Earth Day! Our holy Father, Pope Francis, tells us in his 2015 Encyclical Letter titled *Laudato Si* (about caring for our common home) that, "The human person grows more, matures more, and is sanctifies more to the extent that he or she enters into relationships, going our from themselves to live in communion with God, with others, and with all creatures." (Paragraph 240). Pope Francis also said in *Laudato Si*, "We are part of nature, included in it and thus in constant interaction with it." (Paragraph 139).

Health care professionals sounded alarms loud and clear about Coronavirus. Likewise, nearly every ecologist and climate scientist likewise has sounded alarms about our impact on the Earth. Let us pray for wisdom that comes only from God asking for graces to hear and to act in Earnest and with loving care toward the Earth as we have toward COVID-19.

As we are working so hard to come to grips with the threats of COVID-19, so may we in the long term more clearly realize our interconnections and come to grips with the challenges of promoting a healthy Earth that is wondrous to behold and so vital for each of us.

## **The Risen Christ is Among Us**

The presence of the Risen Christ is always around us and within us. Today during this pandemic the Risen Christ can be seen and experienced in the response of caring people, in the comfort of the Church's reaching out in new ways, in homes throughout the world as families gather to pray, in the service of neighbors, in the hospitals and healthcare facilities where agents of healing bring forth compassion and strength. The Risen Christ is among us in the doctors, nurses, hospital technicians, respiratory therapists, medical personnel and administrative assistants, pharmacy workers, first responders, police, firefighters, civic officials, scientists working for a cure, childcare workers, assisted living staffs, delivery people, funeral directors, United States Postal Service workers, grocery store workers, gas station attendants, food pantry and homeless shelter volunteers, restaurant workers, religious leaders, and so many, many others who assist us that our lives may be bearable in times of stress and uncertainty.

## A Litany of Blessing in Time of Grief

Before we breathed our first, O God,  
you etched our names upon your hands,  
like stretchmarks on our mother's skin.  
And those same hands that bear our lives  
will carry us home as we breathe our last.

So even in our grief, O God,  
let every breath we carry within  
announce your goodness with praise unending.  
For you have made us to be your own,  
a people of your Spirit with blessing on our lips.

Therefore:

Sun and moon: *Bless the Lord!*

Stars of the sky: *Bless the Lord!*

Depths of ocean: *Bless the Lord!*

Birds of air: *Bless the Lord!*

Let all creation: *Bless the Lord!*

Blessed be God for doctors and nurses: *Blessed be God forever!*

For scientists and researchers: *Blessed be God forever!*

For pharmacists and technicians: *Blessed be God forever!*

For social workers and caregivers: *Blessed be God forever!*

For all who endeavor to keep us safe: *Blessed be God forever!*

Blessed be God for grocery clerks and janitors: *Blessed be God forever!*

For restaurant chefs and fast-food workers: *Blessed be God forever!*

For farmers and delivery drivers: *Blessed be God forever!*

For field laborers and postal carriers: *Blessed be God forever!*

For all who feed and care for us: *Blessed be God forever!*

Blessed be God for pastoral staffs: *Blessed be God forever!*

For clergy and religious who pray for us daily: *Blessed be God forever!*

For catechists teaching in creative new ways: *Blessed be God forever!*

For liturgical ministers tackling technology: *Blessed be God forever!*

For all who serve the domestic church: *Blessed be God forever!*

Blessed be God for teachers and parents: *Blessed be God forever!*

For those who sing and those who dance: *Blessed be God forever!*

For musicians, artists, composers, and poets: *Blessed be God forever!*

For comedians, actors, and story-tellers: *Blessed be God forever!*

For all who inspire and sustain our hearts: *Blessed be God forever!*

And blessed be God for the human spirit: *Blessed be God forever!*

That strives to live in more gentle ways: *Blessed be God forever!*

That connects with others while staying apart: *Blessed be God forever!*

That weeps and laughs and sits in silence: *Blessed be God forever!*

For the human family in deeper communion: *Blessed be God forever!*

In faith and love, we ask you, God, let not this virus consume our world.

But breathe your Spirit in us again that we may praise you unceasingly  
with Christ our Lord, from whom all good things come.

## **Practicing Social Distancing Means Making Changes, but Staying Engaged**

### **Spiritual Tips & Ideas**

Family rosary at home for Coronavirus victims

Read the daily readings (go to [usccb.org/bible/readings](http://usccb.org/bible/readings))

Stream the Mass (many places are offering this)

Use social media to share how your family or community is praying

Take time on Fridays to pray the stations of the cross on your own, connecting your struggles with isolation with Jesus' solitude in carrying his cross to Calvary

Watch a movie about the life of Christ and spend time reflecting on this image of Jesus and what it can teach you about your faith and your life

### **Practical Tips**

If you are asked to telework, find a routine and pace that allows for the most productivity, yet does not overwhelm you. Be sure to distance your personal and professional lives at your new "home office."

Be conscious of your mental health during this time of great anxiety. Be kind to yourself, be calm, and be patient with yourself and others.

Incorporate some exercise into your day. Many gyms and apps are offering free services.

Learn something new and take time to explore your hobbies.

Utilize the public library's online content and eBooks.

Work on fixing up or organizing an area of the house

### **Practical Tips for Families**

Establish your new family schedule

It's a great time to teach everyone in the family to cook!

Have a family dance party!

Nature hiking ([goalloutbroome.com/bc12](http://goalloutbroome.com/bc12))

Start indoor seeds (Now is a great time! Get some native wildflower seeds or vegetable seeds and start them inside)

Spring cleaning!

Have the kids prepare a play to perform in the evening.

Build a fort!

Have a formal tea party one afternoon.

Do an elaborate baking project and share it online.

Use up all of those art and craft kits that have collected from your kids' birthdays!

Play 1 board game as a family each week

Look up 1 new card game each week and play it.

### **Reach Out!**

Call or email (or socially network with) relatives and any friends who may feel isolated or who may be susceptible to the Coronavirus to provide a kind word, to see what help they need, or to provide your love and support.

Offer to get necessities for those who cannot go out.

Check on friends who live alone to see what they need.

Have compassion for those most at risk and advocate for vulnerable populations in society (the elderly, those in poverty, homeless persons, persons with disabilities, those already sick or hospitalized, those with compromised immune systems, among others)
