Helping Hands

Everyone knows about “helping hands.” But have you ever thought about all the different things hands can really do?

Hands reach up to paint, clean, and mend the church. They do the same for the homes of those in need nearby. Sometimes, they even build those needed homes. Hands can greet a visitor with a firm handshake. Or they could learn a little sign language to help make a new church member who is deaf feel more welcome.

Hands can dip into pockets to make contributions to the church. They can also dip into buckets with a sponge to swirl across many car windows to raise more funds. Hands can hold a piece of chalk in the classroom or a piece of music in the choir loft. Even those hands that are clenched are helping. They’re donating blood during a church-sponsored drive.

Surely two of those hands that help belong to someone you know. Maybe they belong to you!

Why Return to the Church?

Reflection Questions

1. Can you think of any time in your life that you returned to something you had given up? How did you feel? What made it easy? What made it hard?
2. Many people find that the church supports a lot of the basic human values they treasure, e.g., family, inner peace, personal dignity, integrity, and hope. What values do you think the church can best support in your life?
3. If you were to name the most important thing you received from your Catholic heritage, what would you say that it was? How do you see that continuing in your present and future life?

When Planning for your Funeral...

Please be sure to share with your children or whomever may be overseeing your funeral arrangements when you pass that you wish to have a funeral liturgy in the church. Even though your son/daughter may not be active, participating Catholics does not mean that you should not have a proper funeral at church. Especially, when you are faithful to attending weekly mass!

**15th Week in Ordinary Time:
Justice Challenge**

Saint Camillis de Lellis, whom we honor on July 18th, is one of the patron saints of those who are sick. He himself was afflicted with illness, yet he reached out to care for those who were suffering—in hospitals, on plague-ridden ships, even on battlefields with injured military troops. He risked his own life to relieve the pain of others. Your challenge this week is to reach out to someone who is suffering—from physical pain, from depression or sadness, from alienation or bullying. Can you be the gentle hands and compassionate heart of Jesus for him or her? Who is it in your family, neighborhood or community who needs a healing touch?

Important Changes Ahead...

This past December, Fr. Frank Kocik died and with that there will be some changes. In 2004, Fr. Kocik came to St. Mary of the Assumption and St. Paul, and had been a great help to Fr. Jon Werner. Since his death, Fr. Werner has been celebrating and serving the two parishes with little or no assistance. Our parish of St. Francis of Assisi is part of the Pastoral Care Area (PCA) with St. Mary’s and St. Paul’s. Presently there are 8 masses on the weekend celebrated in our PCA. We are being encouraged to do more together in a collaborative spirit. **Our trustees from our parishes have met, and it was decided that a revision to our present mass schedules in our parishes have to change.** Why? Because there are no other priests available when one of the pastor’s get sick, or takes a weekend off for retreat or vacation. So each of the three parishes will have 2 masses, which can be covered by one priest when the need arises. **The new schedule being proposed to start the weekend after Labor Day (September 11/12) is as follows....**

<u>St. Francis of Assisi:</u>	4:00PM (Vigil)
St. Paul’s:	5:30PM (Vigil)
St. Mary of the Assumption:	7:30AM
St. Paul’s:	9:00AM
<u>St. Francis of Assisi:</u>	10:30AM
St. Mary of the Assumption:	12:00PM (Noon)

Moving Forward

We are moving forward with our church restoration, and have made a decision to have the Ritterbeck Painting Company from Moosic, PA to do our upcoming work. We did have the input of other businesses, and all gave some very exciting renderings on what they saw could be done to our interior workshop space. A group of about 8 from the parish did make a trip to St. Mary’s, in Hamilton, NY to view the work done to their church by one of our candidates. After much discussion we came to view what Bob & Ryan Ritterbeck had offered would fit well to what we envision.

For four generations of Ritterbeck Painting has been entrusted with the responsibility of painting and decorating many churches in the Northeast. The Dioceses’ of Philadelphia, Allentown, Scranton, and Syracuse, have called upon their expertise to either restore churches to their original grandeur or to bring a new beauty to the church environment. There is still a ways to go before actual work will be done. If you would like to see some of their work or know more go to their website www.ritterbeck.com

Continue to pray for the success of our project!

Why Volunteer?

There are so many reasons to volunteer:

- † Lets you share your knowledge and talents.
- † Provides opportunities for making many new friends.
- † Brings the special fulfillment that comes only from helping others.
- † Helps you "get outside" yourself and put your own problems — even grief — in perspective.
- † Allows you to polish old skills and learn new ones.
- † Lets you "repay" an organization that has helped you or someone you love.

So, go out and give volunteering a try!

Question of the Week

Question for Children: To whom would you announce the Good News about Jesus? Who do you think most needs to hear this message?

Question for Youth: When Jesus sent the disciples out, he was preparing them for the future when he would be gone. How are you growing in your own faith and preparing for a life as a Christian disciple?

Question for Adults: Why do you think Jesus sent them out two by two, rather than alone?
